## WHY US?

World in Sign™, LLC (WIS) is an initiative to foster access to all levels of society for ALL through innovation, technology, and education.

We believe in employing sustainable development goals in all our endeavors as we aim to empower populations often left behind by researching, innovating in and providing telecommunication technology and services so they can reach their full potential. WIS partners with businesses, individuals and communities all around the world to achieve it.

*"You matter - no matter how you communicate"*

## HOW IT WORKS?

**No Travel Fees!**

1

Contact our company to schedule an interpreter for your event

2

Sign the paperwork

3

Share as much as possible about the topic with your interpreter in advance. Also share any useful materials that will be used/presented during the event (agenda, PowerPoint, url, etc.)

4

Share the credentials to access the event through your preferred video platform

5

One of our interpreters will connect to your preferred video platform a little before the appointed time to make sure everything works, and the positioning is right
